Commissioner for Patents

See attached notification with 30 DAY extendable period for reply

Sam Rimell
Primary Examiner
Art Unit: 2164

Art Unit: 2164

The reply filed on July 27, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

37 CFR 1.111(b) states:

"The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references."

No specific arguments are presented for independent claims 10 and 21. Claims 10 and 21 contain substantively different language than that recite for claim 1, so arguments presented for claim 1 are not necessarily applicable to claims 10 and 21. Clarification is required by the submission of supplemental remarks.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to Sam Rimell at telephone number (571) 272-4084.
